EDUCATION

Simon Fraser University, Burnaby, BC

Undergraduate Student

Sep 2025 — Jun 2029

Burnaby Mountain Secondary School, Burnaby, BC

Grade 12 Student

Sep 2024 — Jun 2025

EXPERIENCE

UI/UX Designer

WCDAT

Oct 2025 — Present

Remote

- Designed and developed user interface layouts for company websites, ensuring a clean, intuitive, and visually consistent experience.
- Applied user-centered design principles to improve usability, accessibility, and overall user experience.
- Collaborated with team members to translate requirements into functional and engaging design solutions.

LEADERSHIP EXPERIENCE

Dawah Booth Volunteer

Oct 2025 — Present

SFU MSA Club

- Supported the planning, setup, and operation of an on-campus booth promoting interfaith dialogue and cultural awareness.
- Engaged with students and community members by providing introductory information and responding to questions in a respectful, educational manner.
- Contributed to creating an inclusive, open environment that encouraged thoughtful discussion and mutual understanding within the SFU community.

[SAP] SFU Games Lounge Volunteer

Oct 2025 — Present

SFU Student Engagement and Retention

- Assisted in facilitating games and creative activities in the campus lounge to foster student engagement and community building.
- Supported event logistics by helping set up, organize, and maintain a welcoming and inclusive space for students and community members.
- Encouraged participation, built connections with peers, and contributed to a positive and stress-free environment.
- Strengthened leadership, communication, and teamwork skills while collaborating with Student Services and fellow volunteers.

Volunteer

Sep 2025 — Present

York Region Educational Services | Vancouver Region Educational Services

- Selected to participate in the Volunteer Success Program.
- Designed and developed branded educational and community-focused digital content.
- Conducted research, trend analysis, and competitive analysis to improve engagement strategies.
- Supported digital community management and encouraged meaningful online participation.
- Strengthened communication, creativity, and analytical skills in a professional nonprofit setting.

PROJECTS

Track2Give | Node.js, Express.js, MongoDB, Mongoose, HTML, CSS, JavaScript

Oct 2025 — Oct 2025

- Started Track2Give, a food waste tracker web app that matches with Goals 2, 12, and 13 of the UN SDG Goals.
- Developed the donation section of the web app and all the logic related to that section.
- Debugged the app and fixed the bugs and errors that were present.
